SORRY, TAXPAYERS, THESE STUDENTS AREN'T JUST GETTING THEMSELVES AN EDUCATION AT COLLEGE, THEY'RE FUCKING UP A STORM AS WELL. AT LEAST, THAT'S WHAT THEIR LUSTY LETTERS ARE TELLING US...

PARTY PUSSY!

Recently, I went to a student house party. The theme was Sluts and Swingers, so the place was rammed with cockteases in lingerie – the type of girls who go down once, then act like they invented blowjobs. I grabbed a beer and joined in a game of Spin The Vibe. It was like Spin The Bottle, except they were using a big vibrator! Some snotty cow was giving me dirty looks, like she was better than me. So, when the toy stopped at her, after my turn, I grabbed it, pulled my slutty lace knickers to one side and stuck it in my twat to the hilt, twizzling it around to get it nice and sticky. Then I pulled it out and dared her to suck on it.

She refused – not so much attitude now! But Serena, the girl who'd provided the vibe, took it from me and licked and sucked it clean. Someone told us to get a room, and so we did, along with Serena's girlfriend Charlie. They told me kudos for showing the snotty cow up – I said, fuck kudos, I wanted an orgasm, so Charlie started to eat my fanny.

I could tell this girl had snacked on plenty of pussy – she was laying my slit right open and strafing it with her tongue, before plunging it in deep as her fingers teased my clit. Meanwhile, Serena was keeping herself happy – she was just so fuckable with her little chocolate-coloured nipples and sexy smile. How somebody could look so sweet and innocent with eight inches of plastic cock stuck in her cunt I've no idea, but she did.

She kept on pulling out the vibe and holding it up to my mouth. Then, as I licked her wetness off of my lips again, she squatted down over my face. I had a girl at each end now, a sloppy, grinding pussy on my lips and a tongue on my own cunt. Then I had the vibrator in there, when Charlie started drilling me with it.

She just used it as a dildo, then switched the vibrations on as she worked it over my clit. She had three fingers in my hole, and fucked them in and out like a prick, as the vibe sent shocks through my aroused pink bud. The scent and taste of Serena's pussy overwhelmed me, my own cunt tightening right up around Charlie's fingers. She was bending them, catching my G-spot, and I felt the juices gush out my hole and down my crack as I started to cum.

Now Charlie was using the toy against Serena's clit. I sucked her pussy hard, my tongue tingling as the vibrations buzzed through her crotch. I couldn't get enough of the savoury juices pouring out and I convinced myself there was a tang of spunk to them. The idea that Serena had taken a length of dick soon before she got it on with me just blew my mind and I came even harder.

Serena said she was an exhibitionist – she'd always wanted to fuck in front of other people, but Charlie wasn't into it. Was I? I said okay, since half of the party had already seen me stick the vibe in my cunt! We just walked in the kitchen and started to kiss, hands all over each other's arse and boobs. We took it slow, so anyone who'd be offended could leave, and nobody who wanted to see us would miss it!

Five minutes later we were on the dining table, naked and in a sixty-nine. This time I was on top and if I glanced up I saw blokes crowded around wanking off, or getting a handjob off of their girlfriend. One girl was on her knees sucking dick, but all eyes were still on me and Serena.

She started to cum, juices flowing into my mouth in spurts as her twitching pussy forced them out. Then big shivers went through my body and I convulsed hard against her tongue, heard her slurp and swallow my cunt cream.

We got a round of applause. We could have stuck around for a spunky salute as the men came, but Charlie's pussy needed attention. And she got plenty of it back at my place...

BODY SHOP!

During my University holidays, I got a job in an independent clothing shop. The clientele were fun and my colleagues were so cool – and the manager, a bloke named Matt, insisted I wear the shop's designs, as he thought I made a good walking billboard!

He wasn't being sleazy, as there were plenty of modest clothes in the line. But I kept picking the sluttiest tops, the shortest skirts, giving him a twirl and asking how I looked. I flashed plenty of T&A, hoping it would get him excited, and the outfit that finally hit the spot was a metallic top and matching hot pants.

He asked if I could do some overtime after the shop closed. The wait for everyone else to leave felt like a lifetime but, finally, he walked into the fitting room, where I was working. Okay, so all I was working was my fingers, deep in my pussy, with my top pulled down from where I'd been caressing my own pert tits.

My nipples were so hard, so suckable, his mouth went straight to them. Then when they were both spit wet, he rolled them in between his fingers as we made out for the first time. Meanwhile, my hand was on his crotch, unzipping his jeans.

We didn't do much foreplay – I was already wet and he couldn't have got any stiffer. He bent me over and slammed his prick into my hole, up to his nuts in one hard thrust. Then he fucked me real hard and fast – too fast, I thought, because I didn't want him to cum too soon.

He just kept hammering his cock in and out of my twat, though, totally in control. Then as I started to frig my own clit he pulled my leg up, splaying me wide, till my cunt squeezed tight around his shaft. Now his breathing changed, and he thrust a little slower, telling me to cum for him. As my cunt muscles started to pulse, he fucked in real deep and fast, and I felt his hot jizz surge out to fill my hole.

When he pulled out, my eyes locked on his dripping-wet prick and I licked my lips. I wanted so badly to suck it, but it was way too soon. So I sat him on a chair in the booth and told him to eat me instead. He didn't even hesitate, just buried his face between my legs and feasted on all the creamy wetness, mine and his own.

I came a couple of times, finally so hard I couldn't stay standing,

STUDENT

Healthcare student Sammy might look as innocent as they come – and we'd believe anything coming out of that sweet face – but you don't get a tattoo that big without having a bit of the bad girl inside you. So, Sammy, just how bad are you?

"It depends on my mood," she grins. "I was being a bad girl when I had my tat done, but I've always wanted one and being at Uni seemed to be the time and place to have it done."

Of course, you can only see it from behind. Was that deliberate?

"Am I that transparent? Well, my favourite sex position is doggy style, so I thought I'd have my tat where men are going to be looking when they're fucking me that way. It definitely ensures they never forget my name!"

Who, fucking you, could forget your name, Sammy?

"Well, let's just say I've fucked some very drunk blokes in my first year at Uni, and it's happened. But never again!"

SCHOOL OF COCK!

THE NEW TEACHER IN TOWN ISN'T TAKING HER DUTIES TOO SERIOUSLY, FINDS EMMA EDWARDS, AS SHE JOINS THE DP GIRLS ON SET AND DISCOVERS THERE'S NO SUBSTITUTE FOR SEX...

THE SUBSTITUTE
Starring: Raven Alexis, Madison Parker, Cindy Hope, Jessica Moore, Diamond Foxxx, Mick Blue, Manuel Ferrara, Tommy Gunn, Ben English, Christian Clay.
Directed By: Robby D.
Available From: Digital Playground.

We'd teach this lot a thing or two!

With an unconventional, hands-on teaching style that ensures her students make the grade; Raven Alexis, *The Substitute*, has been assigned to an exclusive instructor's position at a prestigious prep school that caters to the higher education of foreign students. Due to the influx of foreigners into the United States, the academic board is trying to close down this specialised institution. If the students don't pass their final examinations, the board will have its way.

This is precisely the scenario that famed porn director Robby D has crafted using contract goddess Raven Alexis, as the star vehicle to get this hot little number from A to DD. By encouraging her students to have an open mind regarding their budding sexuality, Raven fucks and sucks her students to guarantee their academic success. With that said, it's time to sharpen your pencil and watch as horny pussies and kinky co-eds make the grade in the school of hard cocks. Class is now in session and student participation is not only expected, it's mandatory!

The movie begins in a classroom, full of sexy students that anxiously await the new substitute's arrival. "I hear she is the hottest teacher in the country. If she likes you, she'll fuck you," Manuel Ferrara charges, feeling his cock grow in his trousers. "Well, I hear she can't get enough hard cocks!" Madison Parker continues, licking her pencil tip in anticipation for the extracurricular activities that are sure to come.

After several minutes of back and forth banter, Raven Alexis enters the classroom looking hot as hell! "I want you all to write down a personal problem. Sexual problems are what I'm best at," she begins, as Christian Clay slowly moves toward her desk.

Apparently, he's failing his math class because he has an incurable crush on Diamond Foxxx, his teacher. After giving Christian some sound advice and encouraging him that, "it's okay to think with your cock instead of your head," Christian sets out to entice Mrs. Foxxx with what he's learned.

Upon entering the room Diamond says, "I need to talk with you about your grade. Is there something distracting you?" Swallowing hard, Christian pulls out his cock and says, "Yes! You! I can't stop thinking about your big tits and the way you shake your ass!" Waiting for her reply, Diamond is shell shocked to see his big Italian sausage dangling in front of her face like a carrot. After having skipped lunch,

Diamond is famished and ready to dine on his imported meat. "Get that fucking thing over here," Diamond chugs, dropping to her knees to take in eight solid inches of his stick. Moving it to the back of her throat and using her fingers to massage the veiny shaft, Diamond's incredible tits are lined with warm saliva in a matter of moments. Gripping her blonde hair with his hands, Christian watches his meat slide in and out of her mouth. "Don't forget my balls, Mrs. Foxxx," he says, swatting her forehead with his double danglers.

From here, he rests his cock between her fluffy chest buns before bracing her against the desk in standing doggie position to get a slice of her collegiate cooze. Practically barking, Diamond begins to claw the desk and cream their thighs the moment he enters her swollen beaver. Sinking his hands into the small of her back, Christian makes mince meat of her pussy, as her knees begin to buckle. "Fuck your way to a passing grade," she continues to wail. After a few more positions that keep Diamond's tits the main attraction, Christian yanks out and covers Mrs. Foxxx with plenty of the white stuff!

Back in Raven's class, Jessica Moore reveals her secret fetish for smelly, sweaty socks. "The natural smell of a man is so erotic. This is nothing to be ashamed about," Raven says. Shedding her secret shame, Jessica sets out for the boy's locker room to put her newfound confidence to the test.

Breaking into Tommy Gunn's locker, Jessica pulls out his gym socks and his jockstrap. Smashing the sweaty items into her face, Jessica becomes quite turned on as she licks and kisses the damp fabric. In a matter of moments, she begins shoving her fingers up her sloppy pussy and rubbing the sticky syrup over her lips. Before she knows it, she's butt naked, wearing his jockstrap and making her self cum repeatedly.

"What the fuck do you think you are doing?" Tommy asks, exiting the shower to find Jessica immersed in a sea of his belongings. Without saying a word, Jessica yanks Tommy's towel off and starts going to town on his tool. Slathering her face with his wet pubes and smacking his cock against her cheeks, Jessica purrs, "Make me take it!"

With such a beautiful face, perfect tits and a heartfelt plea, Tommy has no choice but to succumb to Jessica's request. Grabbing her by the cheeks, Tommy parts her lips with his gun and watches her slurp back his meat like a string of spaghetti. "You look so good with my cock in your mouth," he compliments, bringing her face up to taste the moisture that's collected around her lips.

Spreading her open on the narrow top of the wooden bench, Tommy lowers his anchor into her clam in missionary position. Gliding into place with zero resistance, Jessica's pussy is ripe and ready for the pounding that is to come. "I can take it. Give me more!" Jessica contends, locking her inner elbows around her ankles until her body contorts into a crablike shape. Once again, Tommy doesn't disappoint and lays into her with even more force than before. Trying her out in doggie and reverse cowgirl, Tommy ensures Jessica has her fill and that her kinky fetish fantasy is fulfilled. But just in case, he jerks his load over her tits for good measure. Nice call!

"Diamond chugs, dropping to her knees to take in all 8 inches"

Meanwhile back in the class, Manuel Ferrara is visibly shaken that Mick Blue got an opportunity to fuck Raven Alexis before he did. In order to make things right again with her troubled student, she offers Manuel the same 'academic assistance' she gave to Mick.

"Let's start by tasting your French baguette," Raven teases, dabbing the rim of her lips with his cock as if she's applying a layer of Chap Stick. After sufficiently licking the sides and sucking the head, Manuel grabs Raven by the back of the head and spits, "Come on teacher, you can do better than that!"

Now coerced into stiffer play, Raven starts to gag and spit on his meat, while she busily spirals her hands up and down his length. After several minutes of solid cocksucking, Raven jumps on his thick thighs in cowgirl position and goes to town on his baloney pony. "Ride that cock girl!" Manuel urges, seemingly spurring Raven into executing an even harder ride as he continues to egg her on. Starting to bubble and pop with the onslaught of goose bumps, Raven's chest turns bright red before exploding her load across their humping laps. "Fuck yeah," she snarls as the gloss continues to trail out of her vagina.

Locking the door behind them, Ben drops his drawers and arranges both slutty students around his stick. "Suck!" he demands, snapping his fingers and watching the girls get to work on his balls. With Madison burring his nuts in her cheeks and Cindy chocking on his chicken, both girls are kept quite busy.

Deciding whom to fuck first, and how, Ben goes after Cindy by positioning her on his lap in reverse cowgirl. After a few practice humps to stretch out her hole, Ben sheds his bedside manner and starts to lay into Cindy's cunt like

"In time, each girl is treated to splashes of his salty semen"

Spinning her around into a belly-down doggie spread against her desk, Raven hits a high note in this position. Manuel holds out for as long as he can before dousing his professor's boobs with pellets of pure protein. Hot!

Finally, in an effort to mend the friendship between Madison Parker and Cindy Hope, Raven Alexis reminds them that, "caring is sharing". Not realising that their squabble pertains to the secret crush both girls have on Ben English, the principal, the students set out to put their alliance to the test.

Walking into his office with sexy smiles across their faces, Ben is led to believe the girls have caused havoc in another class. Before he has time to ask them what they've done wrong, Cindy is pressing her tits into his lap while Madison is rimming his lips with her tongue. "All we want is you," Madison purrs, unbuttoning her blouse to stick her nipples inside of his mouth.

a linebacker! "You're gonna kill her!" Madison teases, watching her friend's pussy get pummeled. Sticking her tongue to scoop up the action, Madison is a firecracker waiting to explode.

After Cindy gets her fill, Madison pulls her pal off and continues the ride in pole position. "You girls are driving me wild." Ben explodes, stacking both bitches side by side to stick his fingers up their holes. In time, each girl is treated to warm splashes of his salty semen.

As the real teacher comes back from his extended vacation in Las Vegas, Raven Alexis, *The Substitute*, is sent packing. With more students to teach and cocks to drain, it's only a matter of time before her hands-on techniques are needed in another institute of higher learning, however...

NAME: Kelly
AGE: 18
STUDYING: Drama

STUDENT

Kelly is so petite that we think she'd be a bundle of fun in bed. Just think of the possibilities of throwing this little sex-bunny around on top of your dick. Or is Kelly the tiger who bosses the bed?

"Oh, you were right first time, definitely," giggles the 18-year-old drama undergraduate. "If there's one advantage to being this height and size, it's in bed. I can get in pretty much any position you like, but because I don't weigh very much, I can get on top and ride you as hard as you like and I won't hurt you. Or me! And men like to pick me up and walk around with me on their cock as well. They're showing off, but it suits me fine because it means their cock goes really, really deep into me."

And are you all to scale?

"Yes I am. Blokes tell me I've got the tightest fanny they've ever fucked. In fact, there's a guy I know who loves anal who doesn't want to fuck my bum because he says my fanny is tighter than any bum he's ever had."

Now that's tight!

KELLY

SCREEN TEENS!

Our serial tugger O-Real rounds up the best of recent teen-themed releases. He won't give us the DVD's back though, oh no...

All Star Teens 2

(Digital Playground)

This is so hot off the presses that I burnt my hand, my cock and ruined my DVD player trying to watch it. And I sent Digital Playground the bill... which they ignored. The first instalment of what will hopefully be a long-lasting series was a 6 wank cracker, so I had hopes for this. Boy, does it deliver. While many 'teen' movies are relatively soft, this one goes for the jugular. Defrancesca Gallardo gets both downstairs holes plugged at once, Sandra Sanchez and Elisa lez-off, Abbie Cat gets dicked and while Angel Dark is definitely too old for this, she's still lush. Best of all is super-cutie Carla Cox's anal bonking. She's one of those girls who still looks beautiful no matter how much cock you throw at her. I guess the clue is in her name...

Badass School Girls 4

(Adam & Eve)

When Adam & Eve do a teen movie, it's all about the short plaid skirts and pigtails. Yes, they don't attempt to rewrite the rules, they keep it basic because basic works. Covergirl Kari Summers is selling cookies, but ends up getting her cookie pounded. Brooke Lee Adams looks good until she closes her mouth for the cum shot. You'll never graduate with an attitude like that.

Taylor Tilden and Gracie Glam also do some nice work in their scenes, but it's the finale that will live long in your cock's memory. Assuming your cock has a memory, like mine. That finale comes courtesy of rising star Isis Taylor who is just about the most beautiful woman in porn right now. Those perky tits are going to give me sleepless nights.

Girls Wanting Girls

(Abby Winters)

For pure amateur lesbo action, you can't really go far wrong by pointing your dick in the direction of Abby Winters. While Girlfriends Films, for example, mix established stars with some okay unknowns, they often put you off your stroke with some horrendous mingers found in a pit somewhere. With Abby Winters, it's fresh-faced cuteness all the way. There are only two scenes, mind, and Hayley is in both of them – first with ginger Patty, next with Asian babe Mei – so you'd better like her. I liked her a lot, as my raisin-like nuts can attest.

Cum to Daddy

(Private)

Hmm. I'm not sure about this. I was lured in by the sight of the teen-tastic Milla on the cover. The 19-year-old Euro babe has only done a handful of scenes, but they're anal all the way, and with her dirty blonde bob and perky, puffy nipples, she'll have you pulling it out by the root. Unfortunately, what I failed to notice was the old grey-haired man on the cover. My Sherlock skills were not in effect, what with the title and all, but if you like watching old fellas tapping young twat, you might be happy. Me? I'll stick to watching *May to December* on UK Gold, ta very much.

Teenlicious

(Digital Playground)

By Digital Playground's sky-high standards this is only average. But, because of those standards, that means I still managed to crack 5 off over it. And 1 of those was a memory-wank in the loos at work. Which isn't bad going and may be down to how fit the cast are. Riley Steele, Zeina Heart, Shawna Lenee, Gabriella Fox and Rio Valentine are the 'teens' in question (and the teen status of most of them is definitely questionable), all allow penises to enter their vaginas and it's shot in the classy, crisp way DP always do. It just lacks that certain something. Like a big bumming or something.

Young Sweet Muffins 2

(Adam & Eve)

Throwing some pigtails and hair clips is often a cheap way of cramming twenty-somethings into a teen flick, but with girls this hot, this 4 hour glorified best-of from Adam & Eve makes the cut safely. Did I say hot? How about reigning superslut Tori Black, along with Paulina James, Kylie Wilde, bum overlord Alexis Texas and all natural Euro-mynx Natasha Nice for starters?

That's barely scraping the surface and while this isn't for teen purists, it made sex wee come out of my penis, so I'm including it anyway. It's my page.

Teen Splash

(Wicked)

As good as Wicked's features are – and they're the best in the jizz biz in the way they combine sex, plot and acting without making me lose not only my semi-on but also the will to live – it's nice to see them just bung some fanny on the screen occasionally.

The fresh-face fucktresses here include Victoria White and a bunch of relative unknowns in poolside pokings. It's Wicked, so it's hardly gonzo heaven, but it's also got high-production values and high-class ladies that made my knob go so high it grazed the ceiling and upset my upstairs neighbours.

Young Harlots Foreign Exchange

(Harmony)

The *Young Harlots* series from Harmony throws up teen sensation after teen sensation, and they don't stint on the hardcore either. Here they unveil new starlet Henessy and she's right in the middle of things, sharing a knob with feisty Brit Michelle Moist before taking on a couple of particularly big 'uns in a searing DP. She looks rather rocking in her college blazer too, although I doubt very much her intentions are entirely scholastic. Every girl here is an absolute slut under Gazzman's usual wonderfully filth-smeared direction, but it's all educational, so that's okay.

Caprice isn't your typical student. For starters, she isn't strapped for cash, having dipped her toe into the European porn world before she even started her course. And she knows what she wants to do when she finishes her studies as well...

"Most porn stars get ripped off over their porn sites. Search for any star and there are dozens of sites for them, and they don't control any of them. Well, I'm going to do my own which is why I'm studying web design. I'm going to design it, manage it and, best of all, I'm going to be the star of it!"

Doing what, exactly?

"Well, I brought my camera to college too, and I've been filming all my fucks. Girls, boys, both at the same time, I meet people in the Student Union bar and they can't wait to star in one of my little home movies."

And are they happy to be on the internet as well?

"Oh, they're all getting paid. And maybe some of them will be future porn stars as well. I know I'm going to be one, so watch out!"

"Yes, it's going great," Alexis confesses, "but porn careers are short, I've seen that first hand, so I'm studying fashion and design so I've got something to fall back on when men have had enough of me."

We've seen you in action, Alexis, that isn't going to happen.

"Well, I've got a few years left, but I don't want to be one of those porn stars who starts off in 'teen' movies then ends up in 'MILF' movies. There's more to life than getting fucked in front of cameras, especially when I can get fucked off-camera just as well!"

So what kind of designer are you?

"Well, right now I'm doing revealing outfits for porn star friends on commission, but one day I want to be on the catwalks of world!"

Don't worry, men, we'll always have these pictures to remember her by...

Don't worry, we're not going to pretend that Sandy and her girlfriends Dee and Sarah are students. We know you're not daft. But that doesn't stop us from getting a massive bonk-on at the idea of them getting dressed up and frolicking in a fashion that can only be described as 'educational'.

Throw three hot sluts like these a blanket and a set of plaid skirts and they do the rest themselves, sparking into a lesbian fuck that doesn't stop until they've worn out every move in their repertoire and every sex toy in their satchels!

They're not here to learn about flora and fauna, but about fucking and fingering, and sex star Sandy is keen to impart some of her cunt-eating wisdom. After all, what she doesn't know about munching on pussy isn't worth knowing.

Dee and Sarah are the perfect students, applying their new-found knowledge straight away, their tongues swiping at Sandy's prized slit until she rewards them with a mouthful of cream from her love cave. Sorry, guys, got to leave to go and hide in those bushes you can see here...

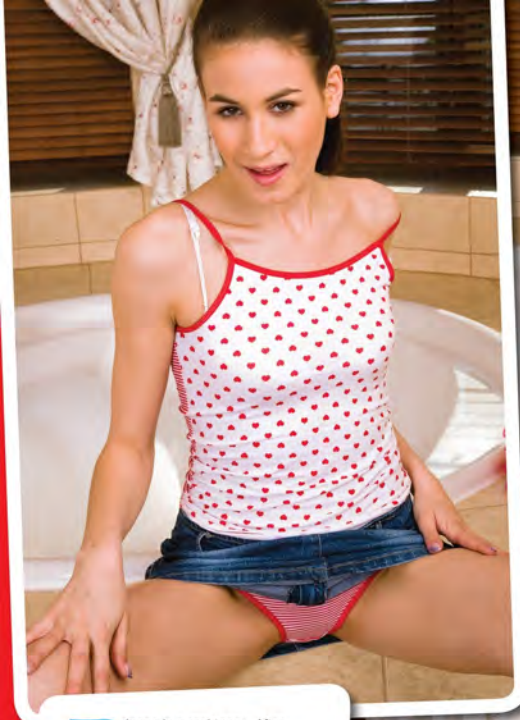
TEENS UNTAMED

COLLEGE

NAME: Brianna
AGE: 19
STUDYING: Finance

♣ STUDENT ♣



Brianna is a real tease. After she won the 'Student Election' vote in our first issue, she got second thoughts and decided she wasn't going to strip off after all. Then she had third thoughts and said she'd go topless. In the end, once the cameras were rolling and she got all hot and horny in the thick of things, off came the knickers, albeit briefly. Why so shy?

"I wasn't being shy. I had a really possessive boyfriend at Uni and he said that only he should see my pussy. But a couple of days before the photo shoot I realised he was a prick and kicked him into touch, so I'm free to bare my pussy to whoever I want."

But you still only gave us a glimpse of the good stuff.

"I was always taught to treat 'em mean and keep 'em keen. You don't put it all out on the first date. Actually, that's a bad example, because on the last first date I went on, I ended up sucking a guy off and swallowing his jizz in a restaurant's disabled loo and then I let him do me up the bum later. Oops!"

COLLEGE

NAME: Sally

AGE: 20

STUDYING: Nursing

♣ STUDENT ♣

While we're over the moon that saucepots like Sally here are the future of British nursing, isn't she a little worried that appearing in a top shelf mag might hurt her chances of wowing the wards?

"I'm not too worried about that these days," she says. "Lots of celebrities appear nude in magazines, and it doesn't do them much harm."

But what if you're recognised by a patient when on duty?

"That sounds like it could be fun! Nurses aren't just there to help doctors, we're there for the patients, and if I can help a patient recover with a flash of stocking, so be it!"

But what if he wants more...

"Listen, I don't want to get sacked before I've even started, but let's just say I know how to draw the curtains around a patient's bed and leave him with a smile. I've got very skilled hands and an even more skilled mouth, so I reckon I could have the happiest ward in the whole bloody hospital."

Erm, nurse, we're not feeling well. Got any spare beds?

SALLY

SEX LOVING STUDENTS WRITE...

so I sunk down on my knees, engulfing him in my mouth. I got the full-on salty flavour of our mingled juices as I sucked his helmet, then deepthroated him to the hilt.

I let him fuck my mouth, using my hand to control how deep he thrust, but mostly able to take it all. I moved my tongue against it, licking, teasing, and felt his dick begin to jerk against it. I sucked him without mercy, and while he lasted longer than I thought – again – I upped the ante even more. Finally, I tasted more salt and took his load, massaging his balls to milk out every last drop.

"Okay, time you went home," said Matt, shoving his dick back in his pants. But I wasn't done yet. I spit the cum out of my mouth and started to smear it on my boobs, along with all the gooey juices from my cunt. My chest may not be the biggest, but it'll give a bloke a good firm ride, and it was certainly enough to tempt Matt to unzip again and slap his cock in my cleavage.

Okay, he fucked me fast, like he needed to be elsewhere, and I guessed his girlfriend was waiting for him somewhere. But he looked me right in the eyes when he blew his spunk all over my boobs. We both knew who was boss after hours!

We've been fucking ever since, and I know it for what it is – just a work affair. But who cares when it's this much fun?

Tamsin, Luton

STUDENT MOANS!

So many people live like slobs when they go to University, but not me. I didn't have much money to spend, but I found some cool bedroom stuff at a charity shop. The salesgirl, Janice, seemed to be flirting with me, so I flirted back, hoping for a discount.

I got that and more – she invited herself over to see what I'd done with my place, and said it looked very sexy. She'd brought some wine as a housewarming gift, and we tested out my new bedding, getting off with each other on it, then getting naked.

She had a gorgeous body, slender with cute little boobs, and she got off on exploring mine, too. She was the more experienced so I just laid back and let her hands wander over me. She worked her way down, sucking on my tits, long hair brushing over my skin and making it tingle. Then she licked around my pussy, just the outer lips, driving me half insane before she slipped a fingertip into my slit and finally thrust it all the way into my hole.

She liked how I was shaved, just like her, and soon my pussy was streaming. "Don't stain my quilt," I joked, and so she said we'd have to swallow down each other's juices.

She moved around into a 69, planting her pussy over my face. I tasted her off of my fingers, then took a lick, then helped myself to more as her tongue swiped strong and deep along the length of my slit. Now she was licking me hard, fingers on my clit as her tongue poked in and out of my snatch. Then she switched, sucking on my clit. She liked my tongue inside of her, my thumb on her nub, and when I threw a little anal play into the fun, she let out a squeal.

I was first to cum, creaming into her mouth as I lapped more and more juices out of her cunt. Then I felt a little spasm, a tremble as her hole closed around my tongue. I just kept licking till she stopped, and then we laid on the bed kissing. But she couldn't keep her hands off of my pussy for long, and I came around her fingers as she sucked on my tits again.

I gave her an open invitation to visit, and the next time she brought a couple of sex toys over. I told her they didn't match the room – but we knew where to hide them! I didn't own any toys myself, but seeing Janice vibe her clit to juice herself up, then squirm on the bed as she pumped a big shaft in her cunt, I felt myself get so wet and aroused. I grabbed her other dildo and I was already wet enough just to slide it in to the hilt.

First, we just masturbated ourselves, kissing as we fucked our own cunts. Then Janice reached over and grabbed my toy – having someone else work it made the feelings so much stronger. I asked could we 69 again, as I wanted to see her cunt close up as I fucked it. She looked pleased, like she'd unleashed this nympho, and we moved around.

I'd already got a faceful of her beautiful slit, all pink and perfect, but seeing it clamped around a dildo came as a bit of a shock. I couldn't believe that tight little hole could take a big dick like this and stay so tight, but when I pulled the toy out, it snapped back. It even felt tight around my tongue, till Janice told me to fuck her again!

She was really fucking me – I'm not sure where she gripped my dildo as I seemed to have the entire length of it jammed inside. I felt so full, so totally fucked, and then she sucked on my clit and an orgasm exploded through me. I followed suit, banging her deep, her arse rising right up off of the bed as she twisted in pleasure.

As a very satisfied customer, I've bought another thing from Janice's shop – a pretty wooden chest to match my room and store the toys I'm now collecting.

Patsy, Crawley
